Description

Tasting Note: Good depth of color, it is a clear bright medium straw. It has a forward and aromatic nose, with floral undertones. As it opens, it reveals hints of citrus, vanilla, lime and honey. It is fresh, persistent and lively on the palate with an excellent acidity. Overall it is balanced, with a solid core of ripe mouth watering fruit. Elegant with good verve, this is a fresh powerful wine, with a long lingering finish, which should age elegantly. 90 Points.
